

Central Question

How can Switzerland address the selected issue during its term on the UN Security Council in 2023-24?

Describe:

- What instruments available to non-permanent members could Switzerland use? (e.g. organize events, propose thematic agenda items, topics during month-long presidency or in specific working groups).
- What strengths can Switzerland build on?
- Which partners and allies could be involved?

Task

In your group:

- Brainstorm different proposals (5 minutes).
- Exchange ideas and make a choice (10 minutes)
- Collaborate on idea on Policy Kitchen Challenge page (30 minutes).

PS: Ideas can still be revised after the workshop
